 2.5 Bath

## The Perfect Plan

Designed with your family's needs in mind, this floor plan combines practicality and style. Every detail has been carefully considered, from open, light-filled living spaces to spacious, well-appointed bedrooms and baths, offering both comfort and sophistication. It's perfect for everything from casual mornings to festive gatherings, providing a great setting to create memories that last a lifetime.

Dimensions, specifications, layouts, window sizes, and materials are approximate only, may vary, and are subject to change as provided in the Agreement of Purchase & Sale. All representative square footages include applicable finished lower level and open to below and above areas. Square footage varies according to architectural style. Plans may be reversed. Illustrations are artist's concept. E.&O.E. JAN. 2025

 1,701 Sq. Ft.

 3 Bedroom

 2.5 Bath

## Future-Ready Design

This unique layout features a divided main entrance, offering separate access to the basement and the main house. It's a versatile design that provides potential for an in-law suite while catering to a family's future space needs and privacy. A thoughtful solution for multigenerational living or those seeking flexibility in their home.
